Dear Avandia Clients:

Re: Avandia Class Action

On behalf of hundreds of Plaintiffs, Merchant Law Group has launched a series of Class Actions across Canada against the drug manufacture.

Please keep all medical records and/or other evidence pertaining to this Class Action, that will assist us with this matter.

If you have any questions or concerns please do not hesitate to call our Regina office 1-877-359-7777 or contact either myself or Margaret via our email addresses: weiwu@merchantlaw.com or msherman@merchantlaw.com

Yours truly,

MERCHANT LAW GROUP LLP
