RECITALS

WHEREAS:

- A. The Parties hereby enter into this Settlement Agreement to settle the Actions pursuant to the terms and conditions set forth herein, and subject to approval by all three Courts on a national basis;
- B. The Plaintiffs alleged that Yasmin and YAZ oral contraceptive pills were associated with an increased risk of suffering blood clots (arterial thromboembolism and venous thromboembolism) and gallbladder disease, compared to other available oral contraceptives. The Plaintiffs further alleged that the increased risk was known to the Defendants, and they failed to timely or adequately communicate the risk to consumers and the medical community;
- C. The Defendants denied and continue to deny the allegations;
- D. The Actions were certified as class proceedings by the Ontario Court on April 15, 2013, by the Saskatchewan Court on September 17, 2015, and by the Québec Court on July 26, 2018, respectively;
- E. The Parties intend by this Settlement Agreement to resolve all claims for damages alleged to be caused by the Yasmin and/or YAZ oral contraceptives made by:
 - a. all persons resident in Canada who were prescribed and ingested Yasmin and/or YAZ between December 10, 2004 (in respect of Yasmin) or January 6, 2009 (in respect of YAZ) and:
 - i. in the case of residents of Ontario and Québec, November 30, 2011; and
 - ii. in the case of all other Canadian residents (excluding Ontario and Québec), October 4, 2016and who were subsequently diagnosed with arterial thromboembolism, venous thromboembolism, and/or gallbladder disease, excluding any Opt Out;
 - b. all persons resident in Canada who, by virtue of a personal relationship to any one or more of the persons described in (a) above, has a Family Law Act Derivative Claim for damages, excluding any Opt Out or Provincial Health Insurer; and
 - c. all Provincial Health Insurers in respect of any claims connected to Settlement Class Members;
- F. Counsel to the Parties have conducted settlement negotiations in good faith and at arm's length to come to the resolution herein;

- G. The Defendants do not admit, through the execution of this Settlement Agreement or otherwise, any liability for negligent, unlawful, or otherwise actionable conduct alleged in the Actions or otherwise, and they deny any such allegations;
- H. The Plaintiffs, Class Counsel, and the Defendants agree that neither this Settlement Agreement nor any statement made in the negotiation thereof shall be deemed or construed as an admission by or evidence against the Releasees, or evidence of the truth of any of the Plaintiffs' allegations against the Releasees, which allegations are expressly denied by the Defendants;
- I. The Plaintiffs and Class Counsel have concluded that this Settlement Agreement provides substantial benefits to Settlement Class Members and is fair, reasonable, and in the best interests of Settlement Class Members based on an analysis of the facts and applicable law, taking into account the extensive burdens and expense of litigation, including the risks and uncertainties associated with protracted trials and appeals, as well as the fair, cost-effective, and assured method provided in this Settlement Agreement of resolving the claims of Settlement Class Members;
- J. The Defendants have similarly concluded that this Settlement Agreement is desirable in order to avoid the time, risk, uncertainty, and expense of defending multiple and protracted lawsuits, and in order to resolve finally and completely the pending and potential claims of Settlement Class Members against the Defendants;
- K. The Parties intend by this Settlement Agreement to finally resolve on a national basis, without admission of liability, the Actions and all the present and future claims of Settlement Class Members against the Defendants relating in any way (i) to the facts alleged in the Actions regarding Yasmin and/or YAZ oral contraceptives; and (ii) to the allegations in overlapping Dormant Class Actions and Individual Actions commenced by Opt Outs. The resolution of the Dormant Class Actions is governed by this Settlement Agreement, and the resolution of the Individual Actions is governed by separate agreement(s);
- L. The Provincial Health Insurers have confirmed that they approve and will not object to court approval of the Settlement provided for in this Settlement Agreement, and that they will accept payment from the Provincial Health Insurer Fund in accordance with Exhibit "A" of the Benefits and Distribution Protocol in full and complete satisfaction of all Provincial Health Insurer Rights of Recovery that they may have, whether by subrogation or by independent right of action, in respect of Settlement Class Members' injuries allegedly due to their ingestion of Yasmin and/or YAZ between December 10, 2004 (in respect of Yasmin) or January 6, 2009 (in respect of YAZ) and November 30, 2011 (in the case of Ontario and Québec residents) or October 4, 2016 (in the case of all residents of Canada, excluding Ontario and Québec); and
- M. For the purposes of settlement only, and contingent on orders by the Courts as provided for in this Settlement Agreement, the Plaintiffs have consented to dismissal and/or discontinuance of the Ontario and Saskatchewan Class Actions and to having the Québec

Class Action declared settled out of court, in each case with prejudice and without costs. The Parties acknowledge that the Settlement is contingent both on approval by all three Courts as provided for in this Settlement Agreement and on the other provisions of this Settlement Agreement, and this Settlement Agreement is entered into with the express understanding that the Settlement shall not derogate from the respective rights of the Parties relating to the Actions or the Dormant Class Actions in the event that this Settlement Agreement is not approved, is terminated, or otherwise fails to take effect for any reason;

- (2) Within ten (10) days of execution of this Settlement Agreement, Class Counsel shall provide a Provincial Health Insurer Consent and Release in the form attached as Schedule “H” to each Provincial Health Insurer for execution.
- (3) No later than ten (10) days prior to the commencement of the Settlement Approval Hearing(s), Class Counsel shall provide all of the executed Provincial Health Insurer Consents and Releases to Defence Counsel.

SECTION 5 – SETTLEMENT BENEFITS

5.1 Payment and Distribution of Settlement Fund

- (1) Within ninety (90) business days of the Effective Date, the Defendants shall pay to the Claims Administrator the Settlement Fund in the amount of CAD \$9,050,000.00, provided the conditions set forth in paragraph 5.1(2) below are met.
- (2) Payment of the Settlement Fund shall be made by wire transfer to the Trust Account. At least sixty (60) business days prior to any payment becoming due, the Claims Administrator shall provide to Defence Counsel in writing the following information and documents necessary to complete the wire transfer: bank name, bank address, bank contact details, ABA number, SWIFT number, Trust Account number, completed copies of any required tax forms, beneficiary name, and beneficiary address. The Claims Administrator shall also provide to Defence Counsel in writing any other information or documents that Defence Counsel requests as necessary to complete the wire transfer.
- (3) The Settlement Fund shall be inclusive of all amounts, including, without limitation, all expenses relating to the Actions or the Dormant Class Actions, all expenses relating to the Settlement Class, interest, costs, fees, the Provincial Health Insurer Fund, payments to Provincial Health Insurers, the Ontario and Saskatchewan Representative Plaintiff Honoraria, Class Counsel Fees, disbursements, taxes, and Administration Expenses. The Settlement Fund shall be provided in full and complete satisfaction of the Released Claims against the Releasees. The Releasees shall have no obligation to pay any amount in addition to the Settlement Fund for any reason pursuant to or in furtherance of the Settlement, this Settlement Agreement, the Actions, or the Dormant Class Actions.
- (4) Within twenty (20) business days of receipt of the Settlement Fund, the Claims Administrator shall make distributions to the Provincial Health Insurers from the Provincial Health Insurer Fund. The amount to be received by each Provincial Health Insurer shall be calculated in accordance with the Pro-Rata Amounts for Provincial Health Insurers set out in Exhibit “A” to the Benefits and Distribution Protocol, subject to the following conditions:
 - a. In order to receive payment from the Provincial Health Insurer Fund, a Provincial Health Insurer must execute the Provincial Health Insurer Consent and Release.

- b. Distributions made to the Provincial Health Insurers from the Provincial Health Insurer Fund shall be in full and final satisfaction of all Provincial Health Insurer Rights of Recovery that the Provincial Health Insurers ever had, now have, or may in the future have, whether by subrogation or by independent right of action, in respect of Settlement Class Members' injuries allegedly due to their ingestion of Yasmin and/or YAZ between December 10, 2004 (in respect of Yasmin) or January 6, 2009 (in respect of YAZ) and November 30, 2011 (in the case of Ontario and Québec residents) or October 4, 2016 (in the case of all residents of Canada, excluding Ontario and Québec).
- (5) Within twenty (20) business days of receipt of the Settlement Fund, the Claims Administrator shall transfer the Ontario and Saskatchewan Representative Plaintiff Honoraria to Settlement Counsel. Settlement Counsel shall receive and hold the Honoraria in trust and cooperate with Class Counsel to facilitate distribution of the Honoraria to the Ontario and Saskatchewan Representative Plaintiffs.
- (6) Within twenty (20) business days of receipt of the Settlement Fund, the Claims Administrator shall transfer the Class Counsel Fees approved by the Courts to Settlement Counsel. Settlement Counsel shall receive and hold the Class Counsel Fees in trust and disburse these amounts to Class Counsel as soon as practicable.
- (7) The Claims Administrator shall adjudicate all Claims and make distributions to Approved Claimants in accordance with the Benefits and Distribution Protocol. The Claims Administrator shall then prepare an Approved Claims Report detailing the total number of Claimants and the amounts distributed to Approved Claimants, as described in the Benefits and Distribution Protocol. The Claims Administrator shall provide a copy of the Approved Claims Report to Class Counsel and Defence Counsel and shall file the Report with the Courts if so required.
- (8) The Parties, Class Counsel, and Defence Counsel are in no way liable for any taxes or other costs or expenses that the Settlement Class Members may be required to pay as a result of receiving benefits from this Settlement. No opinion concerning the tax consequences of this Settlement Agreement to any Settlement Class Member is given or will be given by the Parties, Class Counsel, or Defence Counsel, nor is any Party or their counsel providing any representation or guarantee respecting the tax consequences of the Settlement Agreement as to any Settlement Class Member. Each Settlement Class Member is responsible for his/her tax reporting and other obligations respecting this Settlement Agreement, if any.

5.2 Taxes and Interest on Settlement Fund

- (1) Except as hereinafter provided, all interest earned on the Settlement Fund in the Trust Account shall accrue to the benefit of the Settlement Class Members and the Provincial Health Insurers and shall become and remain part of the Trust Account and the Settlement Fund.
- (2) All taxes payable on any interest which accrues on the Settlement Fund in the Trust Account, or otherwise in relation to the Settlement Fund, shall be paid from the Trust Account. All taxes (including interest and penalties) due with respect to the income earned by the Settlement Fund shall be paid from the Trust Account.
- (3) The Releasees and Defence Counsel shall have no responsibility to make any filings relating to the Trust Account, and shall have no responsibility to pay any tax, interest, penalty, or any other amount in connection with the Settlement Fund or the Trust Account. However, if this Settlement Agreement is not approved by the Courts and is terminated in accordance with its terms, or if the Settlement Agreement otherwise fails to take effect for any reason, any interest earned on the Settlement Fund in the Trust Account or otherwise shall be paid to the Defendants who, in such case, shall be responsible for the payment of all taxes on such interest not previously paid by Class Counsel.

5.3 Allocation of Settlement Fund

- (1) The Settlement Fund of CAD \$9,050,000.00 shall be allocated as follows, subject to the Courts' approval of the Provincial Health Insurer Fund, the Ontario and Saskatchewan Representative Plaintiff Honoraria, and Class Counsel Fees:

 - b. \$905,000.00 for the Provincial Health Insurer Fund; and

- (2) All Administration Expenses and the Class Counsel Fees approved by the Courts shall be paid from and reduce the amount in paragraph 5.3(1)(a) above.

5.4 Benefits and Distribution Protocol

- (1) The Claims Administrator shall maintain sole and exclusive responsibility for the confirmation and approval of Claims in accordance with the Benefits and Distribution Protocol.
- (2) The Claims Administrator may consult with Class Counsel regarding any Claims received.
- (3) All decisions of the Claims Administrator shall be final and not appealable in any form before any court in Canada or any other jurisdiction. Notwithstanding the foregoing, and for the avoidance of any doubt, the Courts retain jurisdiction over the Actions and the Settlement Agreement.

5.5 Other Duties of the Claims Administrator

- (1) The Claims Administrator shall also be responsible for:
 - a. arranging and maintaining the Settlement Website following the issuance of the Notice Orders and in accordance with the terms of those Orders;
 - b. ensuring that a copy of this Settlement Agreement (along with all schedules and exhibits hereto), as well as the Notices of Settlement Approval Hearing, Settlement Approval Hearing Press Release, Notices of Settlement Approval, and Settlement Approval Press Release can be accessed and downloaded from the Settlement Website, in both English and French;
 - c. ensuring that the Claim Forms, in the same form attached as Schedule “I”, can be accessed and downloaded from the Settlement Website, or can be requested from the Claims Administrator by email, mail, or phone, in both English and French;
 - d. ensuring that all information on how to submit a Claim, including the date and time by which a Claim must be submitted to the Claims Administrator, is accessible on the Settlement Website;
 - e. ensuring that a Settlement Class Member may submit a Claim online directly through the Settlement Website, or by email or mail to the Claims Administrator;
 - f. providing a copy of this Settlement Agreement, any notice or press release disseminated pursuant to this Settlement Agreement, any order issued by the Courts pursuant to the Settlement, and any Claim Form to any Settlement Class Member making such request;
 - g. responding to all questions or concerns of Settlement Class Members, either in writing and/or over the telephone, in English or French; and
 - h. establishing and managing a toll-free, bilingual hotline for Settlement Class Members.

- (2) With respect to confidentiality, the Claims Administrator shall:
- a. use personal information acquired as a result of this Settlement Agreement solely for purposes of administering Claims under this Settlement Agreement; and
 - b. following the completion of the Claims Administrator's duties as required pursuant to the Settlement, destroy all personal information obtained in connection with the Settlement Agreement in a manner that will ensure that such information cannot be obtained by unauthorized persons.

SECTION 6 – OBJECTION PROCESS

- (1) In accordance with the Notice Orders, the Claims Administrator shall receive any written objection to this Settlement Agreement from a Settlement Class Member only during the Objection Period. Written objections may be submitted to the Claims Administrator by pre-paid mail, courier, or email. Any objection received after the Objection Deadline shall not be considered or reported by the Claims Administrator. Further, any objection received other than in writing at any time shall not be considered or reported by the Claims Administrator.
- (2) A Settlement Class Member who wishes to object to the Settlement Agreement must include in their written objection:
- a. a heading that states: “Objection to Yasmin/YAZ Class Actions National Settlement” or similar;
 - b. their full name, current mailing address, telephone number, and email address;
 - c. a brief explanation of the nature and reasons for the objection, along with any supporting documents;
 - d. a declaration that the person believes they are a member of the Settlement Class and the reason for that belief;
 - e. whether the person intends to appear at the Settlement Approval Hearing(s), in which Province, and, if they intend to appear by counsel, the name, address, telephone number, and email address of their counsel; and
 - f. their signature.
- (3) In reporting objections in accordance with this section, the Claims Administrator shall identify any objection that does not meet the requirements set out in paragraph (2) of this section. Where an objection contains minor omissions or errors, the Claims Administrator shall correct such omissions or errors if the information necessary to correct the error or

omission is readily available to the Claims Administrator. The Claims Administrator may also contact anyone who submits a written objection to obtain further information to correct any errors or omissions.

- (4) The Claims Administrator shall, on the first business day of each week during the Objection Period, report to Class Counsel and Defence Counsel the details of all written objections received during the previous week and provide copies of those objections. Wherever possible, such information shall be provided in electronic form and in a manner that minimizes related expenses.
- (5) The Claims Administrator shall, no later than four (4) days before the commencement of the Settlement Approval Hearing(s), serve on Defence Counsel and Class Counsel, and file with the Courts, an affidavit reporting on all written objections received during the Objection Period, including details about the number of written objections from each province and territory, and attaching those objections as exhibits.

SECTION 7 – TERMINATION

7.1 General

- (1) Termination rights are as follows:
 - a. The Defendants shall have the right to terminate this Settlement Agreement in the event that:
 - i. a Provincial Health Insurer does not confirm their approval of this Settlement Agreement, or does not provide all statutorily required consents or approvals;
 - ii. a Provincial Health Insurer does not provide an executed Provincial Health Insurer Consent and Release; or
 - iii. one or more of the conditions precedent to the Effective Date does not occur.
 - b. Each of the Parties shall have the right to terminate this Settlement Agreement in the event that:
 - i. the Settlement Approval Orders are not granted by all three Courts;
 - ii. the Settlement Approval Orders do not all become Final Orders;
 - iii. a Settlement Approval Order is denied by any Court and, following appeal, such denial becomes a final judgment from which no further appeal is possible;

- iv. a Settlement Approval Order is granted by a Court at first instance but reversed on appeal, and the reversal becomes a final judgment from which no further appeal is possible; or
 - v. this Settlement Agreement is approved by any court (including a court on appeal) in a materially modified form that is not agreed to by all Parties.
- (2) Any order, ruling, or determination made (or rejected) by the Courts with respect to the Benefits and Distribution Protocol or Class Counsel Fees shall not be considered a material modification of any part of this Settlement Agreement and shall not provide any basis for the termination of this Settlement Agreement. For greater certainty, this Settlement is not conditioned on the Courts' approval of any particular Benefits and Distribution Protocol or Class Counsel Fees. However, for greater certainty, and notwithstanding the foregoing, an order, ruling, or determination made by any court (including a court on appeal) that increases the amount of the Settlement Fund beyond the amount set out in this Settlement Agreement, or otherwise requires the Defendants or any Releasee to pay more than the amount of the Settlement Fund in connection with this Settlement, shall be considered a material modification and shall provide a basis for termination of this Settlement Agreement.
- (3) To exercise a right of termination, the terminating Party shall deliver a written notice of termination to counsel for the other Parties within 30 days of the event giving rise to the right to terminate.

7.2 Effect of Termination

- (1) In the event this Settlement Agreement is terminated in accordance with its terms:
- a. it shall, from that point forward, be null and void and have no force or effect, and no Party, Releasor, Releasee, Class Counsel, Defence Counsel, or any other person shall be bound by its terms, except as otherwise specifically provided in this Settlement Agreement;
 - b. any order approving this Settlement Agreement shall be set aside as provided for in section 7.4 below and declared null and void and of no force or effect, and every person shall be estopped from asserting otherwise;
 - c. all negotiations, statements, and proceedings relating to this Settlement Agreement shall be deemed to be without prejudice to the rights of the Parties, and shall not be admissible, used as evidence, or otherwise introduced in any litigation;
 - d. Non-Refundable Expenses shall be divided equally between the Plaintiffs and the Defendants; and

- e. the Parties shall be returned to the same positions they were in immediately before the Settlement Agreement was executed with respect to the Actions and Dormant Class Actions.

7.3 Survival

- (1) Notwithstanding paragraph 7.2(1) of this Settlement Agreement, if this Settlement Agreement is terminated in accordance with its terms, the provisions of sections 3.5, 7, 8.1, and 8.2 of this Settlement Agreement, as well as any definitions applicable thereto, shall survive termination and shall continue in full force and effect. Any definitions, schedules, or exhibits necessary to the interpretation and application of those sections shall also survive, but only for the limited purpose of interpreting and applying these sections and for no other purpose.

7.4 Termination Orders

- (1) If this Settlement Agreement is terminated, Class Counsel shall, within thirty (30) days after termination, apply to each of the Courts for an order:
 - a. declaring this Settlement Agreement null and void and of no force or effect, except for the provisions listed in paragraph 7.3(1) of this Settlement Agreement; and
 - b. setting aside any Notice Order and/or Settlement Approval Order made in accordance with the terms of this Settlement Agreement.
- (2) The Parties shall consent to the order sought in any motion or application made pursuant to paragraph 7.4(1) of this Settlement Agreement.
- (3) If there is any dispute about the termination of this Settlement Agreement, the Courts shall determine any dispute by motion or application on notice to the Parties.

SECTION 8 – EFFECT OF SETTLEMENT

8.1 No Admission of Liability

- (1) The Plaintiffs, the Defendants, and the Releasees expressly reserve all of their rights if the Settlement Agreement is not approved, is terminated, or otherwise fails to take effect for any reason. Further, whether or not the Settlement Agreement is finally approved, is terminated, or otherwise fails to take effect for any reason, this Settlement Agreement and anything contained herein, and any and all negotiations, documents, discussions, orders, and proceedings associated with this Settlement Agreement, shall not be deemed, construed or interpreted as an admission of any violation of any statute or law by the Releasees, of any wrongdoing or liability by the Releasees, or of the truth of any of the claims or allegations contained in the Actions, Dormant Class Actions, Individual Actions, or any other pleading filed by the Plaintiffs.

8.2 No Evidence

- (1) The Parties agree that, whether or not it is terminated, this Settlement Agreement and anything contained herein, and any and all negotiations, documents, discussions, and proceedings associated with this Settlement Agreement, and any action taken to carry out this Settlement Agreement, shall not be referred to, offered as evidence, or received in evidence in any pending or future civil, criminal, or administrative action or proceeding, except in a pending or future proceeding to approve and/or enforce this Settlement Agreement, to defend against the assertion of a Released Claim, or as otherwise required by law.

8.3 No Further Litigation

- (1) Except with respect to the enforcement or administration of this Settlement Agreement, no Plaintiff, Class Counsel, or Releasor (whether directly or via local counsel in any jurisdiction) shall, directly or indirectly, participate or be involved in, or in any way assist with respect to, any claim made or proceeding commenced by any person which relates to or arises from the Released Claims.

8.4 Release of the Releasees

- (1) Upon the Effective Date, in consideration for the payment of the Settlement Fund, and for other valuable consideration set forth in this Settlement Agreement, the Releasors forever and absolutely release, relinquish, and discharge the Releasees from any Released Claim that any Releasor, whether directly, indirectly, derivatively, or in any other capacity, ever had, now has, or hereafter can, shall, or may have, excepting the obligations created by this Settlement Agreement.
- (2) The Plaintiffs acknowledge that they or any Releasor may hereafter discover facts in addition to, or different from, those facts which they know or believe to be true regarding

the subject matter of the Settlement Agreement, but it is their intention to release fully, finally, and forever all Released Claims and, in furtherance of such intention, this Settlement Agreement and that release shall be and remain in effect notwithstanding the discovery or existence of new or different facts.

8.5 No Further Proceedings

- (1) Upon the Effective Date and thereafter, the Plaintiffs, Class Counsel, and Releasors (whether directly or via local counsel in any jurisdiction) shall not institute, continue, provide assistance for, maintain, or assert, either directly or indirectly, whether in Canada or elsewhere, on their own behalf or on behalf of any class or any other person, any action, suit, cause of action, claim, demand, or proceeding against any Releasee, or against any other person or entity who may claim contribution, indemnity, or other relief from any Releasee, in respect of any Released Claim. It is agreed that the Settlement may be pleaded as a complete defence to any proceeding that is prohibited by this section.

SECTION 9 – RELEASE AND WAIVER

9.1 Exclusive Remedy

- (1) This Settlement Agreement shall be the exclusive remedy for all claims or allegations of any nature made by or through Settlement Class Members respecting their use of Yasmin or YAZ.
- (2) On the Effective Date, each Settlement Class Member, whether or not they submit a Claim or otherwise receive benefits, shall be deemed by this Settlement Agreement to have completely and unconditionally released, relinquished, forever discharged, and acquitted all of the Releasees from the Released Claims.
- (3) Each Settlement Class Member, whether or not they submit a Claim or otherwise receive benefits, will be forever barred and enjoined from commencing, instituting, prosecuting, continuing, maintaining, or participating in any action, litigation, investigation, or other proceeding in any forum, directly or indirectly, in a representative or derivative capacity, or as a class member, which alleges or asserts any claim that relates to or constitutes a Released Claim against any Releasee, or which seeks benefits in respect of a Released Claim from any Releasee.
- (4) On the Effective Date, each Provincial Health Insurer shall be deemed by this Settlement Agreement to have completely and unconditionally released, relinquished, forever discharged, and acquitted the Releasees in accordance with Schedule “H”.

9.2 Third-Party Contribution or Indemnity Claims

- (1) Releasors who commence or continue a proceeding against any person or entity who may make a claim for contribution or indemnity against any Releasee shall limit the value and right of recovery of such proceeding to the quantum of damages, interest, and costs apportioned against such person or entity severally and not jointly with any Releasee. Such Releasors will make best efforts to have any third-party or other claims made against a Releasee for contribution or indemnity in respect of such proceeding dismissed, at the Releasor's expense, and hereby consent to any motion or application brought by a Releasee seeking dismissal of such a claim against it.
- (2) In the event that a proceeding commenced or continued by a Releasor results in a claim over or judgment against any Releasee, such Releasor shall fully hold harmless, reimburse, and indemnify the Releasee for the full amount of such claim over or judgment, together with any interest, exclusive of legal fees, disbursements, and other costs or expenses incurred by the Releasee in defence of or as a result of such claim over or judgment.
- (3) To the extent that the provision of benefits to any Settlement Class Member under this Settlement Agreement gives rise to a claim or potential claim for subrogation or reimbursement against any Releasee by any person or entity, the Settlement Class Member to whom such claim or potential claim relates shall be responsible for resolving such claim or potential claim prior to receiving any benefits under this Settlement Agreement.
- (4) To the extent that any claim for subrogation or reimbursement is asserted against any Releasee by any person or entity notwithstanding paragraph 9.2(3) of this Settlement Agreement, the Settlement Class Member to whom such claim relates shall fully hold harmless, reimburse, and indemnify the Releasee for the full amount of such claim, together with any interest, exclusive of legal fees, disbursements, and other costs or expenses incurred by the Releasee in defence of or as a result of such claim.

SECTION 10 – LEGAL FEES AND DISBURSEMENTS

10.1 Class Counsel Fees Approval

- (1) Class Counsel shall bring motions or applications in the applicable Courts for the determination of Class Counsel Fees to be paid from the Settlement Fund.
- (2) The Parties and Class Counsel acknowledge and agree that the approval of the Settlement Agreement by the Courts is not contingent on the outcome of any motion or application regarding Class Counsel Fees.
- (3) All amounts awarded on account of Class Counsel Fees shall be paid from the Settlement Fund.

- (4) The Releasees hereby acknowledge and agree that they are not parties to the motions or applications concerning the approval of Class Counsel Fees, that they will not be involved in the approval process to determine the amount of Class Counsel Fees, and that they will not take any position or make any submissions concerning Class Counsel Fees.

10.2 Individual Claims by Claimants

- (1) Settlement Class Members who retain lawyers to assist them in making their Claims for benefits pursuant to this Settlement Agreement and the Benefits and Distribution Protocol, or to assist them in a reconsideration of the classification or rejection of their Claim, shall be solely responsible for the legal fees, disbursements, and other costs or expenses of such lawyers.

SECTION 11 – MISCELLANEOUS

11.1 Negotiated Agreement

- (1) This Settlement Agreement is the product of arm's length negotiations between Class Counsel, Defence Counsel, and the Parties. No Party shall be deemed to be the drafter of this Settlement Agreement or any provisions hereof. No presumption shall apply in favour of or against any Party as a result of the preparation or negotiation of this Settlement Agreement.
- (2) This Settlement Agreement shall be binding on the Parties regardless of any change in the law that might occur after the date each Party signed this Settlement Agreement.

11.2 Entire Agreement

- (1) This Settlement Agreement, including its recitals, schedules, and exhibits, as well as the other documents expressly referred to and defined herein (*e.g.* the Benefits and Distribution Protocol, Notices of Settlement Approval Hearing, Notices of Settlement Approval, Notice Plan, Notice Orders, Settlement Approval Orders, Notice of Proposed Terms of Settlement, Provincial Health Insurer Consent and Release, etc.), constitute the entire agreement by and among the Parties with regard to the subject matter of this Settlement Agreement and, upon execution by all Parties, shall supersede any previous agreements and understandings between the Parties with respect to the subject matter of this Settlement Agreement.

11.3 Severability

- (1) If any provision of this Settlement Agreement is held to be void or invalid, the same shall not affect any other provision, and, provided the essential agreement between the Parties remains the same, the remainder of the Settlement Agreement shall be effective as though such provision had not been contained herein.

11.4 Dates

- (1) Dates referred to in this Settlement Agreement may be altered with the written consent of the Parties and, as necessary, with the approval of the Courts.

11.5 Notice

- (1) Where this Settlement Agreement requires a Party to provide notice or any other communication or document to another Party, such notice, communication, or document shall be provided by email or letter by overnight delivery to the representatives for the Party to whom notice is being provided, as identified below:

- (10) A Claimant shall submit one Claim Form that comprises all of the Claims that they may have arising from the Settlement Agreement. If more than one Claim Form is submitted, the Claims Administrator will treat them as one Claim Form.
- (11) The Claims process is also intended to prevent fraud and abuse. If, after reviewing any Claim Form, the Claims Administrator believes that the Claim is fraudulent, the Claims Administrator shall disallow the Claim in its entirety.
- (12) Where the Claims Administrator disallows a Claim in its entirety, the Claims Administrator shall send to the Claimant, at the Claimant's postal or email address as indicated in the Claim Form, a notice advising the Claimant of the decision and that they may make a request for reconsideration to the Claims Administrator within twenty-one (21) days of the date of the notice in accordance this Protocol.

Claim Confirmation, Claim Determination, and Payment

- (13) The Claims Administrator, in its sole discretion, shall determine:
 - a. whether a Claim Form has been properly completed and is supported by necessary documents; and
 - b. whether a Claim has been validly asserted by a Claimant.

Stage 1: Claim Confirmation and Deficiency Period

- (14) The Claims Administrator will confirm receipt of Claims submitted by the Claims Deadline. Claimants who submit complete Claims will receive a “**Confirmation Letter.**”

Claimants whose Claims are deficient will receive a “**Deficiency Letter.**” Confirmation and/or Deficiency Letters will be sent to Claimants within ninety (90) days of receipt of their Claim Form and supporting documents.

- (15) The Claims Administrator will provide Claimants who receive a Deficiency Letter forty-five (45) days to cure any noted deficiencies and to submit a complete Claim (“**Deficiency Period**”).
- (16) The Claims Administrator may also contact Claimants who receive a Deficiency Letter directly, to obtain further information to assist them in completing their Claims by conducting in-person interviews, which may be held by telephone or video conference, as agreed between the Claimant and the Claims Administrator.

Stage 2: Claim Determinations

- (17) Once the Claims Deadline and the final day of the Deficiency Period have passed, the Claims Administrator will have ninety (90) days to assess the complete Claims and determine whether they are eligible for benefits (“**Claim Determination Period**”).
- (18) The Claims Administrator will first determine whether a Claimant is a Settlement Class Member. Claimants who are not Settlement Class Members will not be eligible for benefits. Anyone who is an Opt Out, a party to an Individual Action, or who has commenced a separate proceeding against any of the Defendants in respect of the subject matter of the Settlement is also not eligible for benefits.
- (19) For a Family Settlement Class Member to be eligible for benefits, the User Settlement Class Member who is their source of entitlement for benefits must also have submitted a complete Claim, and that User Settlement Class Member must have been determined eligible to receive benefits by the Claims Administrator. If the applicable User Settlement Class Member has not submitted a complete Claim, or they have been determined not eligible for benefits, the Family Settlement Class Member will also be not eligible for benefits.
- (20) Where the Claims Administrator determines that a Claimant is not eligible for benefits in accordance with paragraph (18) or (19), the Claims Administrator shall send to the Claimant, at the Claimant's postal or email address as indicated in the Claim Form, a notice advising the Claimant of the decision and that they may make a request for reconsideration to the Claims Administrator within twenty-one (21) days of the date of the notice in accordance with this Protocol.

Stage 3: Reconsiderations

- (21) A Claimant who has submitted a Claim Form is only entitled to reconsideration by the Claims Administrator of:

- a. a decision to disallow a Claim in its entirety under paragraph (12); and/or
- b. a determination of ineligibility under paragraph (20).

All other determinations of the Claims Administrator are final, and there is no further appeal or review of any decision of the Claims Administrator whatsoever to the Claims Administrator, a Court, or any other court or tribunal.

- (22) For greater certainty, other than a decision to disallow a Claim in its entirety under paragraph (12), or a determination of ineligibility under paragraph (20), all decisions of the Claims Administrator, including those relating to, *inter alia*, any Claims assessment, the amount of benefits paid to an Approved Claimant, the sufficiency of a Claim, the sufficiency of the supporting documentation, timelines, the late delivery of any Claim or component of a Claim or supporting documentation, and any other matter relating to the Claims process, are final and may not be appealed to or put before the Courts or any other court or tribunal for any review or determination.
- (23) Where a timely request for reconsideration is filed with the Claims Administrator in accordance with paragraphs (12) or (20) above, the Claims Administrator shall conduct a review of the request for reconsideration. The Claims Administrator must issue its decision on the reconsideration to the Claimant who submitted the Claim within fourteen (14) days of receipt of the request for reconsideration.
- (24) In the event that the Claims Administrator reverses or modifies its decision, the Claims Administrator shall send a notice specifying the revision to the disallowance or decision to the postal or email address as indicated in the Claim Form.
- (25) The determination of the Claims Administrator in response to a request for reconsideration is final, binding, and is not subject to further review by or appeal to any court or other tribunal.

Stage 4: Assessing Benefits

- (26) The Claims Administrator will then determine the number of points to be assigned to each Claimant that is eligible to receive benefits based on the Qualifying Medical Condition or Qualifying Associated Fatality in the Claim and the points system set out in Table 1 below. For greater certainty, should any requests for reconsideration be outstanding, the Claims Administrator shall provide final notifications on all such requests prior to allocating points, and the Claim Determination Period will be extended to allow for this.

--	---------------------------------

- (27) The Claims Administrator shall advise all Claimants who have submitted complete Claims by the end of the Claim Determination Period whether their Claim is eligible for payment from the Settlement Fund (“**Determination Letter**”) and whether they are therefore an Approved Claimant. Determination Letters shall be sent to Claimants no later than fourteen (14) days after the final day of the Claim Determination Period.
- (28) Each Claimant, who is an Approved Claimant, shall be notified of that fact by the Claims Administrator via the Determination Letter, with a copy to Class Counsel and any other representative authorized by the Claimant. Each Determination Letter shall state the value of benefits allocated to the Approved Claimant, determined in accordance with Stage 5 below, along with brief written reasons for the basis of the approval.

Stage 5: Payments

- (29) Once received by the Claims Administrator, the Settlement Fund shall be allocated as follows in accordance with section 5.3 of the Settlement Agreement:
- a. \$8,139,000.00 for the benefit of Settlement Class Members;
 - b. \$905,000.00 for the Provincial Health Insurer Fund, comprising 10% of the Settlement Fund; and
 - c. \$6,000.00 for the Ontario and Saskatchewan Representative Plaintiff Honoraria.
- (30) The Claims Administrator shall, in accordance with the terms of the Settlement Agreement:
- a. distribute the Class Counsel Fees from the amount in paragraph 29(a);
 - b. make distributions to the Provincial Health Insurers from the Provincial Health Insurer Fund in paragraph 29(b), with the amount distributed to each Provincial Health Insurer calculated in accordance with the Pro-Rata Amounts for Provincial Health Insurers set out in Exhibit “A”; and
 - c. distribute the Ontario and Saskatchewan Representative Plaintiff Honoraria in paragraph 29(c).
- (31) The Claims Administrator shall also deduct all Administration Expenses from the amount in paragraph 29(a).

² To be made *pro rata* if more than one (1) Family Settlement Class Member submits Claims with respect to one (1) User Settlement Class Member.

(32) On the next business day following the end of the Claim Determination Period, and provided the steps in paragraphs (29)-(31) are complete, the Claims Administrator shall allocate the remaining amount in paragraph 29(a) to the Approved Claimants *pro rata* based on the points assigned to each Approved Claimant³, subject to the following:

a. The maximum allocation that an Approved Claimant may receive is:

Qualifying Criteria	Qualifying Type	Amount (CAD)
Medical Condition	VTE	\$9,000
	ATE	\$4,500
	Gallbladder	\$500
Associated Fatality	VTE	\$13,500
	ATE	\$11,250
Family Settlement (medical condition or fatality)	VTE/ATE	10% of the amount given to the primary Claim

(33) Within thirty (30) days of the Claims Administrator completing the step in paragraph (32), and provided all Determination Letters have been sent, the Claims Administrator shall distribute payment from the Settlement Fund to Approved Claimants in accordance with the amounts allocated to them.

(34) If, within six (6) months of the payments being issued by the Claims Administrator to pay Approved Claimants, a balance exists in the Settlement Fund as a result of uncashed distributions or any other surplus monies, any remaining funds shall be paid by the Claims Administrator to Women's Health Collective Canada, or such other organization(s) as the parties may agree, less any amounts payable to the FAAC, pursuant to section 42 of the

³ To illustrate, if there are 1,000 Approved Claimants, 600 of which are VTE injuries, 80 are ATE injuries, 300 are gallbladder injuries, 10 are VTE-associated fatalities and 10 are ATE-associated fatalities, the total points allocated to the entire class of Approved Claimants will be 68,250 (600 VTE Approved Claimants x 100 points = 60,000 points) + (80 ATE Approved Claimants x 50 points = 4,000 points) + (300 Gallbladder Approved Claimants x 5 points = 1,500 points) + (10 VTE-associated fatalities x 150 points = 1,500 points) + (10 ATE-associated fatalities x 125 points = 1,250 points). The dollar value of each point will be determined by dividing the remaining amount in paragraph 29(a), after completion of the steps in paragraphs 30 and 31, by the total number of points (e.g., \$6,000,000 / 68,250 = \$87.91). In this example, VTE Approved Claimants would be allocated \$8,791 (\$87.91 x 100), ATE Approved Claimants would be allocated \$4,395.50 (\$87.91 x 50), Gallbladder Approved Claimants would be allocated \$439.55 (\$87.91 x 5), VTE-associated fatalities would be allocated \$13,186.50 (\$87.91 x 150) and ATE-associated fatalities would be allocated \$10,988.75 (\$87.91 x 125). In all instances, the maximum allocation set out in paragraph 32 would apply.

Act respecting the Fonds d'aide aux actions collectives, C.Q.L.R. c. F-3.2.0.1.1 and calculated in accordance with Article 1. (1°) of the *Regulation respecting the percentage withheld by the Fonds d'aide aux actions collectives*, R.S.Q. c. F-3.2.0.1.1, r. 2. For the purposes of calculating the amount payable to the FAAC, the portion of the remainder (if any) that will be allocated to Quebec Settlement Class Members will be:

- a. the actual uncashed payments to Settlement Class Members located in Quebec; and
- b. 23% of any other residual amount, less uncashed payments to Settlement Class Members located outside Quebec.⁴

Stage 6: Report

- (35) Upon completion of the distributions in paragraphs (33)-(34), the Claims Administrator shall prepare an Approved Claims Report detailing the total number of Claimants and the amounts distributed to Approved Claimants. The Claims Administrator shall provide a copy of the Approved Claims Report to Class Counsel and Defence Counsel and shall file the Report with any of the Courts if so directed.

⁴ By way of example, if the remainder is CDN\$8,000, on which CDN\$2,000 relates to uncashed payments to Settlement Class Members located in Quebec and CDN\$1,000 relates to uncashed payments to Settlement Class Members located outside Quebec, the amount payable to the FAAC shall be calculated based on CDN\$3,150 (CDN\$2,000 + 23% of CDN\$5,000).

NOTICE OF PROPOSED SETTLEMENT OF YASMIN AND YAZ LITIGATION

Please read this Notice carefully – your legal rights may be affected.

Notice of Settlement

A Canada-wide settlement (“Settlement”) has been reached with Bayer Inc. and other Bayer defendants (collectively “Bayer”) in class actions in Ontario, Saskatchewan, and Quebec relating to the oral contraceptives Yasmin and YAZ. The class actions raise various allegations relating to blood clots (arterial thromboembolism, venous thromboembolism) and gallbladder disease and removal (cholecystectomy). Bayer denies the allegations made in the class actions, makes no admission as to the truth of these allegations, and denies any wrongdoing. The allegations made in the class actions have not been proven in court and should not be considered in any way to be medical advice.

This Notice summarizes certain parts of the Settlement Agreement. All capitalized terms not otherwise defined in this Notice have the meanings given to them in the Settlement Agreement. If there is a conflict between the content of this Notice and the Settlement Agreement, the terms of the Settlement Agreement will prevail.

This Notice advises you of the hearings that will be held to decide whether the Settlement should be approved. You may attend the Settlement Approval Hearings.

You can review the Settlement Agreement and related documents on the Settlement Website: **[WEBSITE]**. You can also contact Class Counsel using the information listed below.

Who is included?

If the Settlement is approved, it will apply to the following Settlement Class: (1) all persons resident in Canada who were prescribed and ingested Yasmin and/or YAZ between December 10, 2004 (in respect of Yasmin) or January 6, 2009 (in respect of YAZ) and November 30, 2011 (in the case of Ontario and Québec residents) or October 4, 2016 (in the case of Canadian residents outside Ontario and Québec) **AND** who were subsequently diagnosed with arterial thromboembolism, venous thromboembolism, and/or gallbladder disease; **and** (2) all persons resident in Canada who, by virtue of a personal relationship to any one or more of the persons described above, has a derivative claim for damages under Canadian family law legislation.

What is the proposed Settlement?

The Settlement provides for the creation of a **CAD \$9,050,000.00** Settlement Fund that will be used, among other things, to pay the costs of notice and administration of the Settlement, the claims of Provincial Health Insurers, Class Counsel legal fees, and benefits for Approved Claimants who are part of the Settlement Class. The final value of benefits for each Approved Claimant will not be determined until all Claims are submitted and considered by the Claims Administrator.

To be eligible for benefits, individuals must be part of the Settlement Class and must submit a valid and timely Claim with supporting documents to the Claims Administrator. Not all Settlement Class Members or individuals who submit a Claim will receive benefits.

10% of the Settlement Fund (CAD \$905,000.00) will be allocated to a Provincial Health Insurer Fund for the recovery of costs of insured health or medical services provided by the Provincial Health Insurers.

If the Settlement is approved, Class Counsel will seek court approval for Class Counsel legal fees of **[AMOUNT]** to be paid from the Settlement Fund. Approval of the Settlement is not contingent on the outcome of any request

regarding Class Counsel legal fees. The Courts may award something less than the amount requested by Class Counsel.

Settlement Approval Hearings

For the Settlement to become effective, it must be approved by the Ontario Superior Court of Justice, the Superior Court of Québec, and the Court of King's Bench for Saskatchewan. These Courts must be satisfied that the Settlement is fair, reasonable, and in the best interest of the Settlement Class. The Settlement Approval Hearings have been set for:

[DATE]: Ontario Superior Court of Justice;

[DATE]: Superior Court of Québec; and

[DATE]: Court of King's Bench for Saskatchewan.

In the event that the Settlement is not approved by the Courts in a form agreed to by the Plaintiffs and Defendants, the Settlement Agreement will terminate, and its terms will no longer be binding on the Settlement Class. In that case, all parties will be restored to their pre-Settlement Agreement positions.

Objecting to the proposed Settlement and opportunity to appear

If you wish to object to the proposed Settlement, you must submit a written objection no later than **5:00pm Eastern Time on [DATE]** containing the following information:

- a heading that states: "Objection to Yasmin/YAZ Class Actions National Settlement";
- your full name, current mailing address, telephone number, and email address;

Your written objection must be received by the Claims Administrator via pre-paid mail, courier, or email by no later than **5:00pm Eastern Time on [DATE]** at the applicable address listed below. The Claims Administrator will file copies of the objections received on time with the Courts.
